

ALLSTAR ROCK ACADEMY - PARENT

INFORMATION SHEET

Who we are and what we do...

Allstar Rock Academy is a peripatetic music school dedicated to making music accessible for every child in the classroom. We do this by running our sessions a bit differently to traditional one-to-one music classes. Our dedicated professional tutors lead sessions in a collaborative group setting, forming students into bands to learn the basics of their instruments together. What's more, we teach popular tunes that the children know and love, allowing them to form personal bonds with music that last way beyond the classroom.

How our sessions work...

Where and when

Our sessions run during term time and in school hours, making their music lessons one less thing for you to worry about!

Pricing

Allstar Rock Academy costs £35 per month for 4 x 30-minute sessions. We take payment via Direct Debit on the 30th of every month for the following month's sessions. We won't ask you to sign a contract, and you're only charged during term time.

Performances

Students will have the opportunity to show off their new skills in school concerts. These concerts will be held at the end of every school term and will take place during school hours.

Our tutors

Our tutors have a wealth of experience teaching music in a classroom setting, and each is equipped with a solid theoretical knowledge base in every instrument. What's more, all our tutors are working music professionals with real world experience in the music industry.

The safety and security of every child in our sessions is the primary focus of every Allstar Rock Academy tutor. With this in mind, every one of our professional tutors is fully first aid certified and has undertaken safeguarding training. All our tutors possess an advance DBS check in line with school policies.
